**amazonwallet.com**  
**Amazon Wallet New User Page**  
  
Please enter a desired User ID (we recommend your e-mail address):  
  
  
Please enter a password:  
  
  
Please enter your name:  
  
  
Please enter your mother's maiden name (for account access security):  
  
  
Important Security Note: Merchants should never request your mother's maiden name in conjunction with the Amazon Wallet. For security purposes you mother's maiden is only used to login to account access. If a merchant requests your mother's maiden name in addition to your wallet User ID and Password, do not provide your mother's maiden name. You should also consider the offending merchant suspect.  
  
Please enter your shipping address:  
  
  
  
Please enter a contact phone number:  
  
  
Please enter your credit card number and expiration date:  
 MM/YY  
  
Please enter the name exactly as shown on the credit card, if different from your name as entered above:  
  
  
If the billing address of the credit card is different than the shipping address, please enter the billing address of the credit card:

The image shows a screenshot of a web browser window. The browser's address bar displays "amazonwallet.com". Below the address bar, there is a navigation bar with icons for Back, Forward, Stop, Refresh, Home, Search, Favorite, Print, Font, and Mail. The main content area of the browser displays the "amazonwallet.com" login page. The page has a title "Login to Account Access Page". It contains three text input fields: "Please enter your Amazon Wallet User ID", "Please enter your Amazon Wallet Password", and "Please enter your mother's maiden name". Below these fields is a "Login" button.
